

# TRICKS OF THE TRADE WORKSHOPS LIZ MARSHALL

## MAKING A COMMUNITY DOC AT QUALITY MEAT PACKERS SUNDAY, AUG 28, 12-3PM • FORT YORK

LIZ MARSHALL, AWARD-WINNING FILMMAKER OF WATER ON THE TABLE & THE GHOSTS IN OUR MACHINE, IS WORKSHOP FACILITATOR

A group workshop... To film one video, working together, in 3 hours. The emphasis will be on working together, quickly, to conceptualize and then film an artfully crafted mini documentary, which explores & unearths the concerns of the surrounding community. The goal for the video: a tool for community outreach at the political level, to send it to local politicians and community leaders – to spark a new dialogue about the slaughterhouse; to bring to light the issues from the community. In doing so, the video should also expose the cold hard facts about slaughter: the number of pigs slaughtered each day, the conditions...
